

How do I get free HIV, chlamydia, and gonorrhea self-tests?

- ✓ Visit <https://redcap.link/572i0amc> to determine your eligibility.

- ✓ Ask your local health organization if they're participating in the distribution of free HIV/STI tests.
- ✓ If you do qualify for a free self-test, you'll receive information on how to order your test(s), collect your sample(s), and receive your results.
- ✓ Email hivandme@utah.gov for any questions that come up.
